## **M-O FFA Member Takes Second Place at Greenhand Quiz CDE**

By: Paige Day, M-O FFA Reporter

ORLANDO, Okla— Each year, FFA members participate in numerous competitions across the state. One such contest is the Greenhand Quiz Career Development Event (CDE); a competition for freshman members only. The Greenhand Quiz tests knowledge of various aspects of FFA, including history, facts, and parliamentary procedure. Materials for the quiz event are taken from the FFA Manual, FFA New Horizons, FFA Student Handbook, and the State FFA Constitution. This fall, we had three members of the Mulhall-Orlando FFA Chapter participate in the Greenhand Quiz CDE. Baylee Brown, Charley Johnson and KayLea Taylor represented the M-O Chapter well. At the Regional contest, M-O took three of the top five spots, with Baylee Brown placing first, KayLea Taylor finishing second, and Charley Johnson placing fourth. Brown and Taylor both moved on to the state competition in Stillwater where Baylee placed second. Baylee will receive her official plaque at the State FFA Convention next spring. Congratulations to all three of the M-O FFA Chapter members for their hard work and success!
