Mulhall-Orlando Fair Celebrates 50 Years

By: Baylee Brown; Mulhall-Orlando FFA Reporter

Mulhall, Okla.- On August 23rd and 24th FFA and 4-H members gathered at the Mulhall-Orlando Fair Barn to hold their annual fall fair. This year marked 50 years for the event and to celebrate the local fair board along with the support of many sponsors and volunteers worked hard to make it a special occasion. Matching t-shirts for livestock exhibitors, belt buckles for awards, and a photo backdrop all made this event one to remember. On Friday, August 23 the fair started with the judging of the open class, HCE, 4-H, FFA, and Crop Exhibits. That evening the carnival games put on by the high school students were open to the community. The FFA played a carnival game with kids at the fair to teach them some new things about animals and agricultural topics, and kicked off their week long water drive to collect water and gatorade for the Mulhall and Orlando Fire Departments.

The livestock show and livestock judging competition was held on Saturday, August 24. The judge for the livestock show was Matthew Walta from Kingfisher. Awards were given for Grand and Reserve in each species as well
